# Environmental Policy Statement

It is the policy of OPUS to protect the environment through sound practices that reduce waste generation and minimise risk to the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.
- Minimise energy use.
- Provide appropriate Environmental training for all staff.
- Nominate a Director to be responsible for Environmental issues.
- Expect all employees to conduct their duties in accordance with this Policy.
- Use questionnaires and contract documents to increase Environmental awareness.
- Aim to preserve and enhance biodiversity.
